

NOWW Magazine

NOWW is looking for new editors for our magazine. And as we change editors, we are also open to fresh approaches for the publication, including different formats and changes in style.

The editors will be in charge of soliciting and editing copy, They will also be responsible for the layout and design of the magazine, and for arranging printing. There will be three issues per year, in September, January, and June. NOWW will provide a budget for writing and artwork, as well as for printing. The editor(s) will receive an honorarium of \$170 per issue (\$510 for the year.)

Proposals should include information about the experience and expertise of the applicant(s), and an idea of the sort of publication they envisage.
